

THE CYCLE HIRE CODE

We undertake that:

- 1. Our cycles are safe and legal to use.***
- 2. All cycles and accessories are checked between each use, cleaned if necessary and kept in good working order.***
- 3. We keep proper records of cycle use and maintenance.***
- 4. A lock, bell, safe means of carrying luggage and repair kit and/or mobile assistance will be provided upon request.***
- 5. If helmets are available they will be safe and clean.***
- 6. Our cycles are suitable for their purpose and our descriptions of them are accurate.***
- 7. We aim to provide the correct size of cycle and will adjust it to fit you.***
- 8. We will provide instruction and advice about how to use the cycle, where to ride and cycling safety.***

The Cycle Hire Code is administered by CTC – Britain's primary cycling organisation – and was produced in consultation with the Scottish Tourist Board and the Association of Cycle Traders.

This is a voluntary code, which means that the cycle hire business where you see it displayed aims to meet its requirements. A more detailed description of those requirements should be available from the management. For further information or in case of any difficulty please contact: CTC, 69 Meadrow, Godalming GU7 3HS ☎ 01483 417217.

The aforementioned organisations accept no liability for disputes howsoever arising between any such business and its customers.
